RE: INSURED: PORT OF SEATTLE
CLAIM NO: ED 0-01-000047
OUR FILE NO: 188-91

Dear Mr. Croxton:

This letter will confirm our telephone conversation of this day, in reference to the above loss involving your EPA Docket number [1089-11-06-3008(h)].

You have indicated, to date, Chempro has fulfilled all the requirements indicated in at Agreed Order. Therefore, there would be no need for involvement by the Port of Seattle, at this time.

I have requested that if Chempro fails to fulfill their obligations as you have required, to please advise us if Port of Seattle would have any possibility of claims being presented against them.

We appreciate your cooperation in this matter, and please, contact me immediately, if there is any misunderstanding in reference to the information contained within this letter.

Sincerely,

Mark C. Wolfe

Dear Mr. Wolfe:

Sorry I have been unable to respond sooner to your letter of July 24, 1991. I was on vacation and did not read your letter until my return on August 8, 1991. The purpose of this letter is to correct a misunderstanding contained in your letter to me.

In the event Chempro fails to fulfill their obligations under the 3008(h) Order, the Port of Seattle, as the property owner, would be potentially liable. Furthermore, I will not be able to advise you of the possibility of claims being presented against your client as all proposed or contemplated enforcement actions remain confidential until they are issued final.

I hope this clarifies your understanding of this matter. If you have any questions, you can reach me at (206) 553-8582.

Sincerely,

A handwritten signature in cursive script that reads "David C. Croxton".
